Race Director's Welcome

Dear Runner,

For as long as I can remember, the first page of the programme you're now reading has been called the 'Race Director's Welcome'. But it takes a whole community – not just a Race Director – to create something special like Run Garioch.

Our charity partners, runners, spectators, volunteers and the wider GSC Family that both supports and benefits from our event are all part of that Run Garioch community. Our committee members are also part of that community, and here are just some of their reflections on what it means to them:

Keith Whyte (Garioch Sports Trustee since 2002)

When a few of us came up with the "mad idea" for a Community Run in autumn 2005, we had no idea just how wonderful an annual event it would become. March 2006 saw the inaugural Garioch 10K with around 200 keen runners taking part. And look where we are now! Over 2000 compete annually in our 5K, 10K, Half Marathon and Junior Races and thousands more support the event on the day, reflecting what has become a truly community supported event for the Garioch Sports Centre. The GSC, like so many other charities you run for, is extremely grateful for the fundraising done at Run Garioch. Our community has literally "kept the lights on" for nearly 20 years, while at the same time having fun, getting and keeping fit and feeling a sense of pride at being part of a great local event.

Graham Hudson, Assistant Race Director

Having been involved with Run Garioch since the very early days, I have been fortunate to witness how it has grown from one race, to many, and become a key fixture in the national running calendar. Over the years the increase in the number of participants has been matched by an increase in the number of houses in and around the race routes, as well as an increase in the amount of traffic using the same roads. This has meant that we have had to constantly review the routes, how we marshal them and how we control traffic to ensure everyone's safety and enjoyment. To this end, we have now engaged specialist professional organisations to assist in the event. However, the bedrock for delivering Run Garioch is the volunteers who help marshal the routes, look after the start/finish areas and tend the Event Village. Without these volunteers there would be no Run Garioch, so a major thank you goes out to all those who give their time to make sure that our event can take place.

Vikki Mearns (RG Committee member and Inverurie Kettlebells instructor)

Watching the planning and work that goes into the event and then seeing it come together on race day is one of my favourite things about being involved. Seeing runners of all ages able to take part and enjoy the day make it all worthwhile. The committee work hard together to create Run Garioch – and each year the event gets better. The atmosphere on race day is always buzzing. The Garioch Sports Centre is a great community facility, providing space for many clubs and groups to train. It offers the community so many things, from jobs to fitness classes and nights out. It's good to see how the money raised from Run Garioch is invested back into the facility to support it as a charity. Thank you for being part of our community by entering this year.

So, you see, Run Garioch is about much more than the work of one person. It might be my name printed underneath these words, but it's the entire Run Garioch community, each and every one of us, welcoming you to the Garioch Sports Centre on Sunday, 11 May. And we hope every one of you has a fantastic day.

Our Event Programme Cover Design

Choosing the winner of our competition to design the front cover of the Run Garioch Event Programme has never been easy. But with over 275 amazing entries this year – more than double last year's numbers – it was harder than ever.

In the end our shortlisting committee, made up of members of the Run Garioch Committee and Allan Charles from our graphic designers CP&Co., drew up a shortlist of 10 to present to our Event Programme sponsors, Raeburn Christie Clark & Wallace.

After careful consideration, RCCW made their choice: the very happy and athletic banana drawn by Freya Comber, an S2 pupil at Inverurie Academy.

Explaining their choice, RCCW partner Faye Donald told us: "We were impressed by all of the finalists and had difficulty picking a winner. But the winning entry stood out to us because it reflects how we see the run: a healthy but fun family event for the locals in Inverurie. And what better way to reflect a healthy fun event than a racing banana? Freya's clever use of colour and the background of the hills and valleys of the Garioch cemented our decision. Well done to Freya for such a clever and unique idea."

RGHQ caught up with Freya just before the Easter holidays to congratulate her on her win, as well as learn more about her design. She told us that her art teacher Mrs Bingham encouraged everyone in her class to create a cover design. Not all students submitted their finished creations to the competition, but Freya took the plunge. "I thought it was OK," she told us, "but I never thought I would win!"

In addition to seeing her creation on the front cover of the Event Programme, Freya also wins a £25 Strachan's voucher, an A3-size version of her design to keep as a memento and a day's pitch hire at the Garioch Sports Centre for Inverurie Academy.

Freya told us she took inspiration from our very first cover design winner from 2022: Tomas Allan's very determined avocado. Freya immediately made the connection between bananas, running and energy. She explained, "Mrs Bingham showed us the avocado and I thought: I want to do a banana. I eat a lot of bananas for energy before my netball matches."

Freya's mum Suzanne was full of praise for Inverurie Academy, whose pupils alone submitted over 120 entries and whose S2s in particular were well represented on our shortlist. She said, "It's wonderful that the school encourages children to take part in activities like these, especially as they get older. Freya always used to draw as a child, and it was great to see her take up her pencils again."

"It's also great to see the pupils and teachers support this community event in any way that they can. You don't have to run to support Run Garioch."

CONGRATULATIONS TO THE OTHER ARTISTS ON OUR SHORTLIST:

- "Jack" (10) P6, Strathburn School Arabella Ezard (9) P4, Strathburn School

In September 2023, we established a food bank (operating on a pantry model), which offers a safe and dignified method of obtaining food, hygiene and pet supplies. We rely on supermarket waste to stock our shelves alongside ad hoc donations from the community. We also offer a free advice and information service offering financial first-aid appointments to help with matters such as assistance with benefit checks, help to claim benefits, assistance with housing, debt and fuel poverty and applications such as Blue Badges, bus passes and small grants. Since its inception in 2016, the Inverurie Youth Sports Foundation (IYSF) has been helping athletes, clubs and coaches achieve their sporting goals.

It is delighted to have delivered over £1 million of support towards local clubs, athletes and coaches. Many of the athletes it has supported have gone on to represent their country on the world stage, including the World and European Championships and the Commonwealth, Olympic and Paralympic Games.

Since the launch of the ACTIVE Fund in 2022, the IYSF has received overwhelming levels of requests for support. The Fund aims to eliminate financial barriers that prevent children from joining local sports clubs. If a child expresses an interest in joining a local club but cannot afford the associated costs, they can be referred to the IYSF. The costs will then be covered, allowing the child to participate in their chosen sport.

In addition to the ACTIVE Fund, the IYSF also runs the "Garioch Sports Kit for All" project, where it recycles and reuses donations of sports kit and distributes them within the local community. Some kit collected as part of this project will be available at Run Garioch, so please come and have a look.

As in previous years, the IYSF is also covering the entry and t-shirt costs of children keen to take part in this year's Run Garioch's CP&Co. Junior Run who might not have been able to otherwise.

The IYSF Scholarship Programme allowed me to access the training I needed, this ultimately led to my Olympics qualification.
